Under the Investing for Success Agreement for 2016 Taabinga State School received

\$177 046

Our full 2016 agreement can be found at: taabingass.eq.edu.au

Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Engagement of teachers in professional conversation for the teaching of reading and writing utilizing lead learners, Master Teacher and Head of Curriculum, to build teacher capability in curriculum implementation and differentiation
- Explicit instruction through evidence based practices for the teaching of reading and writing across the school
- Instructional leaders work collaboratively with teachers to focus on evidence proven instructional strategies to scaffold and support all students learning success

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Focus on oral language through the engagement of a speech therapist, working with teachers to build capability in explicit instruction and identification of students
- Instructional leaders work collaboratively with teachers providing differentiated coaching and feedback, focused on teachers observing each others practices, collaborative planning and case management practices
